

Welcome to Kindergarten

Hi! My name is Mrs. Robitaille, and I will be your kindergarten teacher this year at St. Joseph School. I am so excited that you will be in my class this year! I can't wait to start our year together.

I know you are going to love kindergarten. We will have fun learning about things like mammals, birds, weather, colors, plants and so much more. We will also learn our letters, sounds, and our sight words. We will read and write fascinating stories, solve math problems, and do science experiments too. This year you will learn and grow so much!

There is so much more to tell you about kindergarten, and I can't wait to see you at the Kindergarten Orientation (10:00 am) and Ice-Cream Social (5:00 pm) on Monday, August 28th. I am very excited to show you our "Beary Special Kindergarten Room!" It is filled with fun centers that have exciting things to work and play. When you come to visit me please find your special seat that is marked with your nametag. I have a gift for you with surprises inside.

I look forward to seeing you very soon in our 'Beary Special Kindergarten' classroom!

Always Be Kind,

Mrs. Robitaille
