

Welcome!

I'm Mrs. Beck!

I'm thrilled that you will be in my class this year! We are going to learn so many new and exciting things together. This will be my second year teaching at Saint Joseph School. I'm very passionate about teaching all subjects, though Math is my favorite, and I love using technology whenever I can!

I hope you are enjoying your summer as much as I am. This summer I went to Smuggler's Notch, Vermont with my family. I was also lucky enough to go to Colorado for a family reunion.

Here are a few of my favorite things.

Color: Mint

Food: Mac & Cheese

Candy: Sweet Tarts

Hobbies: Dance

Drinks: coffee & diet coke
