

Dear 4th Grader!

Welcome to the SJS 4th grade class! I am so looking forward to having a great year with you and your classmates.

We learn a lot and work hard in 4th grade, but also we have a lot of fun! I can't wait to see your science projects (especially the water cycle, natural disasters, and Rube Goldberg Machines), read interesting books (Signal, Because of Winn Dixie, Cricket in Times Square), and participate in Math Minutes and AR competitions.

As you might know, I am a huge sports fan - so expect some Uconn, Mets, and Giants fanfare! You are also welcome to bring in any of your favorite team logos or posters/photos of your personal interests! It's our classroom!

Enjoy the rest of your summer and I hope to see you at the ice cream social on Monday, August 28th at 5 PM.

Sincerely,

Mrs. Rubino

Saint Joseph Catholic School provides a safe, nurturing, and spiritual environment where students achieve academic excellence through diversified learning. With Christ as the cornerstone, students experience an education founded on core values. In collaboration with parents and community, students become life-long learners, develop technological skills, and strive toward a life of faith.
