

Hello 7th Grade,

2017

I am so excited to be your homeroom, math, and religion teacher. We all are going to continue to learn many new things this school year.

I am happy to have you in my class. You are going to do well and enjoy being in seventh grade. I am looking forward to learning about all your favorite things. One of my favorite things are parties. I feel that we work very hard throughout the year so every now and then a party to celebrate special days are a must!

Please talk to me if you have something to share or if you don't understand something. I think you'll find I am a good listener.

I hope you are having a fabulous summer and can't wait to hear all about it.

*God Bless
Mrs. Benzing*
